Larry Scott, Mr. Olympia," was a 136-lb. skinny weakling. He wrote for my free information—just as you should—and now weighs 205 lbs. with 20-inch arms! One of the world's best-built men ever!

Dave Draper, "Mr. America," once was a fat slob—weighing 255 lbs. Then he wrote for my free information and now weighs 235 lbs., 20½-inch arms, a 55" chest, 32" waist. A real champ!

Reg Lewis, "Mr. Universe," was kicked around because of being skinny, only 136-lbs., and weak. But he sent for free information, now weighs 205 lbs. and is a real champ!

They sent for Joe Weider's Free booklet and not only gained inches on their arms, chests, legs in just 7 short weeks, but went on to become admired Champions . . . golden gods of power, health and looks! They started as you are about to start, sending for the free information. They read the brief facts and then ACTIONIZED the knowledge faithfully. In some 15 minutes a day, at home, they slapped big inches to the chest, powerful inches to each arm, rugged muscles to shoulders and back, speed and strength to legs and a whole new power-punch throughout their entire body! So can YOU.

Joe Weider's proven body-building methods don't fail, unless you're weak spirited and lifeless! The Excuse

Officer Jack Mendel is on scooter patrol in the thirty fourth police precinct. He has a lot of stories to tell about some of his unusual experiences He swears that this one is true.

"I see this fellow loading up the car with packages and with a lot of clothing. I figure maybe he is robbing an apartment. Then I see a woman and three kids coming down from the house with more things. I ask him for his license and registration. He wants to know if anything is wrong I tell him I am just checking out things in the neighborhood He shows me both It is his car And he lives in the house. I watch the way the wife and the kids pile things up in the back of the car.

"Goint up to our summer home," he tells me. "Want to get everything in. Don't want to make a second trip."

"You are in violation of the law," I tell him. "You can't see through your back because it is blocked. And you have only a mirror on the left side. If you had one on the right side it would be o.k.

"I am a very careful driver," he tells me. "No danger. I am leaving now when traffic is light."

"If you had to make a sudden stop," I explain to him. "You won't be able to see if there is a car in back of you. And he might crash right into you."

"That can't happen," he smiles. "So don't worry."

"Wise guy, you go ahead and tell me why it can't happen."

"Because I haven't any brakes on this old car. So I can't stop suddenly."

Easy Eels

Pietro Baldini lived five centuries ago. Had he been alive in this present day, he would certainly have been head of the detective squad of any big city. He worked for the Duke of Padua. His job was to get rid of criminals. And see that justice was done. Let us give you an example of how his brain worked.

An old man was brought before him. What was the charge?

"That he has stolen every day from the eel pots of the fishermen at least one eel."

"But why do you steal one eel a day? questioned Pietro Baldini. "It is evident you could have stolen more."

"I have a weakness for eels," admitted the old man. "I am not a thief. A thief would have stolen at least five or six and then sold them in the market place. I am a lover of good food. I just borrowed one a day to eat. Some day I shall repay those poor fishermen for their kindness."

"Unless you take an oath not to steal any more, I shall have you hung at once And remember if you break an oath-the terrible punishment that awaits you."

"I take an oath," sighed the old man," that starting with the New Year, I shall never steal again. Not an eel. I shall keep my word."

As he was about to leave. Pietro Baldini realized what that oath meant So he had two of his guards seize him.

"There are 173 more days left to this year. Which means you would feel free to steal 173 eels So you shall remain in jail for those days. And work and repay for the eels you stole."

Treat All The Same

Chiu Tien was a famous physician during the Shang Dynasty. It is said he wrote several very good books on medicine But alas, when the Emperor Wang ordered all the books in the famous library at Pei-Dang burned, those books were among them. Chiu Tien was the son of a peasant. And this in itself was most unusual The son of a peasant to rise to be the personal physician to the Emperor Wang!

He never forgot his origin. And with the gold he received for his services from the Emperor and the nobles at the court, he built what we would call a hospital for the poor. Only the poor could be admitted to it And he treated them all free of charge And also paid the salaries to the staff.

On this particular day the Emperor Wang felt a pain in his chest. And the pain increased.

"Go and bring Chiu Tien at once to me. Tell him I am ill."

So the servant went to the hospital and soon returned with the famous physician.

"Remember, I am your Emperor," said Wang. "I want you to treat me much better than you do those poor people in your hospital."

"That is impossible, your royal Majesty," replied Chiu Tien.

"What do you mean by that?" questioned the Emperor.

"In my hospital I treat each man as though he were an Emperor. So how can I treat an Emperor better than an Emperor?"

And then the ruler realized the heart of his physician was golden.

How the Club works: In each issue of PLAYBACK, the Club magazine sent FREE every 4 weeks, you'll find a wide variety of tapes offered, including the Selection-of-the-Month in the musical category of your choice. If you wish to receive this Selection, you need do nothing—it will be shipped automatically. Club price never exceeds suggested retail price of $6.98-$7.98 per tape (plus shipping/handling and sales tax where applicable). If you wish to take alternate or additional tapes...or no tape at all...simply mark the Selection Notice (included with magazine) appropriately and return it by the date shown.

Up to six times per year the Club offers extra selections—in special-value announcements—which you may choose in the same manner as your Selection-of-the-Month. All such regular and extra offers count toward completion of your enrollment agreement. For all offers (up to 19 per year) you have at least 10 days to make your decision. Any selection you receive with less than 10 days notice may be returned to the Club for full credit; we even pay your return postage on request. All purchases are guaranteed. You must be delighted with every Club selection or you may return it within 10 days for credit.

We will send you the introductory tape package and first Club magazine with Selection Notice within 30 days after we receive the application. Upon delivery of the first Club magazine, which may arrive before the introductory package, your membership begins. Additional orders subject to credit review.
